

COMPLETED PLANNING APPLICATIONS

Meeting	Date of Application	Address	Application Number	Details	Great Barton Parish Council Comments	West Suffolk Council Decision
October Planning	16/09/2025	Grove House Livermere Road Great Barton Bury St Edmunds Suffolk	DC/25/1421/HH	single storey rear extension (following demolition of existing stores) and installation of two air source heat pumps	<p>Councillors reviewed the application and have no objections to the proposed extension. However, there are concerns about the impact of the ASHP on the neighbouring property, particularly regarding noise levels. The specification sheet for the named ASHP indicates a noise output of 56 dB, while we believe planning rules introduced in May 2025 set a limit of 42 dB.</p> <p>We also have concerns around the existing sound barrier being removed. Is this due to be replaced? As it is not clear on the application.</p> <p>All in favour.</p>	GRANTED
November Planning	14/10/2025	Strathlene The Park Great Barton Bury St Edmunds Suffolk	DC/25/1500/HH	a. one dormer to front elevation b. single storey rear extension amended	Councillors reviewed amended plans and resolved that the application should be supported, all in favour.	GRANTED
November Planning	23/10/2025	Henbury House Livermere Road Great Barton Suffolk IP31 2QE	DC/25/1562/HH	three bay garage	Councillors resolved to support the application, all in favour.	GRANTED
