

**ACTION POINTS FOR THE MEETING OF GREAT BARTON NEIGHBOURHOOD PLAN
WORKING GROUP ON THURSDAY 8th MARCH 2018 COMMENCING AT 7.30 PM**

	<p>the Neighbourhood Plan, notwithstanding the lack of support for additional development.</p> <p>The Housing Needs Survey shows that the majority of residents have no housing requirements. However SEBC's Strategic Housing Land Availability Assessment (SHLAA) has identified four additional sites that might be suitable for development. The landowners are keen for the development to take place and developers are already interested in the sites. If the NPWG do not identify any sites in the NP planning applications may still be submitted for sites and if SEBC has a housing shortage they may be keen for them to proceed.</p> <p>Those members attending the meeting felt there was a need to bring to residents attention that development may happen and it is better to influence it in the NP. It was proposed to hold a Drop-in on Saturday 21 April 2018, (subject to the availability of the Village Hall). Residents would be encouraged to vote for their favoured site(s) for development and also identify any other sites that might have been suggested in the NP questionnaires.</p> <p>Another postcard drop will be required. This time the postcard would be A5 and on one side there would be a map showing the four sites and the Triangle and the reverse details of the Drop-in. NC has agreed to draft the text for the postcard and SD will sort out the map and arrange printing. NC is keen that any costs associated with the event are incurred in this financial year whilst the Parish Council still has grant monies.</p> <p>The NPWG will also present the results of the questionnaires and seek views from residents on the "Vision" for the NP. This will need further work and IP had suggested a visioning exercise at our April Meeting in preparation for this.</p> <p>If the Drop in event is to go ahead two volunteers are required to</p> <ul style="list-style-type: none"> • Organise the postcard delivery to every in the Parish. • Organise the teas, coffees and refreshments and washing up. <p>IP had prepared two maps following the Feb meeting. One showing roads and footpaths and the other Natural and Environment Assets. IP had also provided a copy of a map prepared for Long Compton which identifies views and it was agreed that he be asked to do something similar.</p> <p><u>Date of next meeting</u> This will be Thursday 12th April 2018 at 7.30 pm.</p> <p>.....Sign & Date</p> <p>.....Print Name.</p> <p>CHAIR Signed as confirmation that they are a true record.</p>	<p>SD</p> <p>NC SD</p> <p>IP</p>
