Editorial

And so it ends. After 9 years as editor of the village newsletter, 37 issues, several adaptations to the format, the odd dabble with colour printing, the introduction of back page advertising, as well as errors and misprints too numerous to mention, the time has come for me to “hang up my laptop” and pass the job on to someone else. My sincerest thanks to all contributors for continuing to provide so much “content” for every issue, to our advertisers for their loyalty and to the many regular readers for their tolerance of my all-too-frequent ineptitude. The only problem with my impending “retirement” is that, at time of writing, no-one else in the parish has come forward to take it on. With the new issue due to be produced in about 10 weeks time, the clock is ticking and we desperately someone else to provide this important service on behalf of the community. You will get plenty of help from me to produce the first issue, after which you would be free to exercise your creativity to produce something even better! Please get in touch if you are able to help. Many thanks.

Wishing everyone a peaceful Christmas and a prosperous 2019. Ed

CHAIRMAN'S REPORT

It is very rare for me to start the quarterly Newsletter seeking your involvement as a Councillor within the Parish. Within the last few weeks we have sadly lost the services of Mrs Diana Boys which now provides your Council with a compliment of just six. Our full complement of Councillors is 11 and it is with some eagerness that I would welcome residents who have been in the Parish for more than 12 months to consider serving your community. It is important to have Councillor numbers close to or at its full complement to provide diversity of opinions which will provide healthier democratic outcomes. Please contact Linda Harley, our clerk for an insight into a Councillor's activities and I would encourage you also to attend one or two of our monthly meetings and gather an awareness of the range of activities we encounter. Linda's email address and telephone number are in the early pages of this Newsletter as well as the forthcoming Parish Council meeting dates in the community room of the Village Hall.

In the last Newsletter I mentioned how dry June and July 2018 had been compared to the same period in 1976, and if

. If you believe or don't believe in global warming and compare the top ten warmest summers since 1910, five of those have occurred since the year 2000.

Neighbourhood Plan Update –

The working group are diligently working towards a draft Neighbourhood Plan which has the following chapters:

- Chapters 1 and 2. Introduction to NP for Great Barton and the Development Plan
- Chapter 3 – Great Barton History and Now
- Chapter 4 – Planning Policy in Context
- Chapter 5 – Vision and Objectives
- Chapter 6 – Planning Strategy
- Chapter 7 - Housing
- Chapter 8 – Business and Employment
- Chapter 9 – Community Facilities
- Chapter 10 – Village Character and Environment
- Chapter 11 – Transport
- Chapter 12 – Monitoring and Delivery.
- Relevant Appendices to the Plan

Once these chapters have been compiled, reviewed and extensively scrutinised for compliance to the objectives of our Neighbourhood Plan, this draft plan will be go to St Edmundsbury Borough Council for their informal comments prior, to the Plan being subject to formal consultation. The consultation period for the Plan will be 6 weeks and its communications will be in many formats to allow electronic and paper feedback. Following feedback there is the opportunity to amend the Plan before a further submission to St Edmundsbury Borough Council. The next stage is the independent examination prior to the Village Referendum.

The Neighbourhood Plan steps and where we are towards adoption

1

- Specify & Agree the area of the plan with Local Authority. This is the whole Parish of Great Barton.
- Neighbourhood Plan produced through the Working Group in a collaboration arrangement with Great Barton Parish Council.

2

- Identify the key themes and aims that require research, research the issues .
- Comprehensively consulting with the community.

3

- Engage with all stakeholders in the community. Identifying the key themes and aims.
- Gathering the evidence; testing ideas and consulting the community

4

- Build an evidence base to justify the eventual policies and proposals
- Developing the policies and consulting with the community
- Produce a draft plan for public consultation.

We Are Here

5

- Finalising the Plan and consulting the community on the final draft
- Ensure the objectives are expressed as planning policies.

6

- Validate the policies , cross referencing the evidence from community engagement
- Submitting the Plan to St Edmundsbury BC who then publish it for further consultation

7

- Independent examination of the Plan
- The Independent Examiner checks it conforms to national and local policy

8

- Modifications to the Plan may be recommended by the Independent Examiner

9

- SEBC organise a Referendum
- A majority of people voting must support the plan if it is to be adopted by the local planning authority.

10

- The local planning authority will then bring the plan into force
- The plan will then become part of the formal development plan for the area.

West Suffolk Operational Hub (WSOH) and roadworks – Morgan Sindall

As many of you will have seen when travelling along Fornham Road to the A134 the frenzy of activity of the ground works has now passed and the activity visually is centred on the erection of steel work. The first prominent structure was the workshop complex for SEBC vehicles which will replace facilities currently at Olding Road. The steel work now being raised is the Waste Transfer Station and will be the more dominant building.

To install a new foul water drainage main as part of the scheme's requirements Barton Hill will be closed between Monday 12th November 2018 to Tuesday 20th November 2018 & Monday 26th November to Friday 21st December 2018. The works have been phased to ensure access can be granted to facilitate the Bury St Edmunds Christmas Fayre.

I have attached the diversion notices for either end of Barton Hill (see facing page) with the diversion indicated as the A134 north, turn left down the Avenue of Oaks on the B1106 to turn again left towards Bury St Edmunds still on the B1106 passing the lower end of Barton Hill towards the Tollgate interchange.

Diversions will be in place for non-residents in order to minimise disruption to the affected area and Morgan Sindall will do their utmost best to ensure that disruption to all occupiers affected, is kept to a minimum.

The works will be carried out by the groundworks contractor (JL Knight Roadworks Ltd) during the hours of 0800 to 1800 Monday to Friday; with the potential of Saturday working 0830 to 1330 in accordance with the planning permission for the scheme

Community Speed Watch. May I remind residents, your Parish Council has allocated funds towards equipment to facilitate a Community Speed Watch but we seek a co-ordinator to get this project underway. Please contact Linda Harley whose number is within this Newsletter.

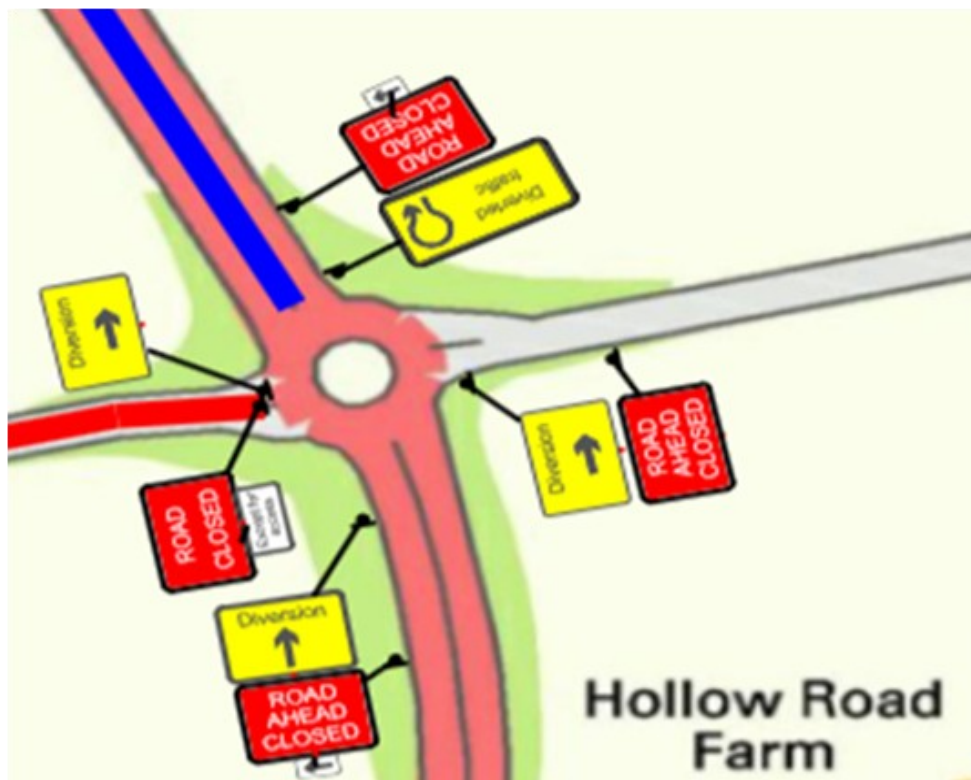

May I and all your Parish Councillors wish you good health and happiness over the festive period and into 2019

GREAT BARTON VILLAGE HALL

And where has this year gone? It seems no time at all since we were preparing the Spring Edition of the Village Newsletter – and now it is the last one of 2018 which will soon be on the streets.

The Village Hall Management Committee is preparing for one of our important meetings of the year – namely, our Annual Meeting which will be held in The Annexe on Monday 26th November at 7.30 and we invite you all to attend. Each year, on this occasion, we review what we have achieved since the last November. As you know, part of our task is to keep the Village Hall looking as good as we can get and there are always numerous small things to do. At the moment, one of our intentions is to improve the acoustic quality of the Main Hall and The Annexe. There is no one big thing that can give improvement, so we are taking it in stages. The first of these has been to install acoustic glass on the four windows which link the two rooms and we will be interested to see how this works. If not as good as we had hoped, then on to Stage 2!

We occasionally hear from residents who feel that the Village Hall just stands there, with few people wishing to use it. This I can confirm is simply not the case. Our bookings are always impressive and it might be nearer the mark if you were to ask the opinion of potential bookers who simply cannot get the 'spot' they wanted. And it is simply not true that it is only dog walkers who use the Playing Fields. We have many out-of-village footballer teams who enjoy our field and our changing room facilities. These teams form a group who compete for a cup and, as is often the case, strong competition results in financial gain and for at least the last decade these teams have donated in the region of £1,500 to the Village Hall. This has been very gratefully received. We even have a team from our local Primary School who use the Fields frequently.

On Saturday 8th we are holding one of our annual events – the Christmas Coffee Morning. This always has a friendly atmosphere and it is delightful to see our Village Hall looking lovely in its Christmas splendour. So do come and join us from 10.00 am – 12.30 pm and enjoy the coffee and mince pies and all the other attractions.

On a more dour note, we do apologise to so many of you who have to drive their cars through our unwanted 'lake' at the entrance to the Car Park. Unfortunately as winter takes on its more wintery aspect, we are likely to be wading through this on a more frequent basis. And, believe me, we do try to get this sorted but unfortunately Suffolk County Council has not managed to solve the problem. You can help us, though – when (not if) it happens again, get on your computer or phone SCC and tell them how tired you are of this situation. And think how awful this must be for the residents of Elms Close!

On behalf of the Village Hall Management Committee we wish you a Very Merry Christmas and a Healthy and Happy New Year and we look forward to seeing you all in your Village Hall in the coming year.

KIRBYE VOICES

Our Christmas programme will include Britten's *Ceremony of Carols*, Vaughan Williams' *Fantasia on Christmas carols*, new carols by the choir and well-known carols for all to sing.

Concerts at 7.30 on Thursday Dec 20 in Holy Innocents' Church, Great Barton and Saturday Dec 22 in St Mary's Church, Bury St Edmunds.

Calthorpe & Edwards Educational Foundation

This Foundation has existed for over 250 years to help young people under the age of 25 with study materials and books required for Further Education. In effect, this means any course which is NOT offered at Upper School/Community College. This includes NVQs which are not offered in schools.

The grant, which is usually limited to a maximum of 3 years, may be extended, at the discretion of the Trustees, by one year but to no person over the age of 25. To qualify the applicants must reside in one of 13 parishes :

Category A (known as the five Inner Parishes) includes Ampton, Ingham, Great & Little Livermere and Timworth

Category B (known as the eight Outer Parishes) includes Culford, Fornham St. Genevieve, Fornham St. Martin, **Great Barton**, Ixworth, Troston, West Stow and Wordwell.

Should there be a waiting list, preference will be given to those from Category A. At present the annual grant, paid in three equal instalments, is :

± £300 per annum

However this amount may vary from year to year dependent on the number of applicants.

Application forms can be obtained from the Clerk :

Mrs. R.G. Boswell, Chegwidan, Beauford Road, Ingham, Bury St. Edmunds IP31 1NW
or by email to : rgboswell@care4free.net and application must reach her by **7th September 2019.**

Great Barton Emergency Response Plan (Residents Guide - Winter 2018-2019)

Should an emergency arise in the home or immediate vicinity, which requires outside help, the residents of Great Barton should summon the **EMERGENCY SERVICES, POLICE, FIRE and AMBULANCE as appropriate by dialling 999 or 112**. If for any reason they are unable to do so then a neighbour or their Main or Reserve Local Coordinator should be contacted.

Introduction

In response to the Civil Contingencies Act 2004 the Parish Council has instigated the creation of a plan for our own locality. The response might be required if there is an emergency or disaster caused by man or nature where the village is cut-off or where the emergency is so widespread that the normal emergency responders cannot cope. In such cases the village would be dependant upon the resources from within and the self-help provided by the residents. The likelihood that such an emergency will ever occur is low, but it is sensible to have a plan in place to make best use of the resources available rather than trying to make it up during the emergency, which would be wasteful of time and effort and could cost lives. The Parish Council has therefore developed an Emergency Response Plan based on community self-help.

Volunteers

An Emergency Operations Team of 8 volunteers will take the lead on behalf of the Parish Council. The village has been divided into 21 sectors, each sector has a volunteer Main and Reserve Local Coordinator. The Coordinators are your contact with the Emergency Team. In addition to the Emergency Operations Team and the Coordinators there is another team of volunteers who are willing to help run a Welfare Centre if required. In total approximately 70 residents have agreed to do their best to assist the Parish Council when the emergency responders cannot react.

Emergency Response Plan

It is envisaged that most families will be able to cope and would prefer to remain in their homes should an emergency situation arise. People directly affected by the emergency and vulnerable persons will be cared for in their local community as far as possible. If required a Welfare Centre will be opened to provide a refuge where people affected by a disaster or emergency can have their most immediate needs seen to. This leaflet gives you essential information so you can make best use of the help available if there was an emergency.

Triggering the plan

Radio Suffolk 104.6 MHz FM will be used to inform the community that the plan has been triggered. Contact your Main Local Coordinator if you need help or require further information. If they are unavailable contact your Reserve Local Coordinator.

Welfare Centre

The Village Hall is the prime building to be used as the Welfare Centre provided it has not been adversely affected by the Emergency. Your Local Coordinator will know if the Welfare Centre is open and in which village building it has been located.

Vulnerable Persons

Elderly people, persons living alone, non English speaking, those with disabilities or medical conditions, are particularly vulnerable during emergencies because they may not be able to properly take care of themselves when water, electricity or telephones are cut off. It may also be difficult, dangerous or just impossible for them to summon assistance because of immediate conditions. If you let your Local Co-ordinator know now before the emergency that you could be such a person, the Local Coordinator can ensure that you are alright should an emergency arise. Note, details of vulnerable persons will be kept secure, only the Emergency Operations Team, and your Main and Reserve Local Coordinator will know your name.

Retention

It is intended you retain this leaflet, placing it with the other self-help emergency guidelines. Content will be reviewed yearly and reissued in the Winter Edition of the 2019 Village Newsletter.

Great Barton Scout Group, Winter Report October 2018

How quick the time comes around it write my report on the Scouts in all sections for the Village to know just what we are up too. I could say for me as the Group Scout Leader I am never without a phone call or E Mail message, mostly enquiries for young people to join one of the sections. Always Beaver Places where it all starts but Cub and Scouts are in demand, I like to think its because we run an interesting Programme that fills the need for Beavers Cubs and Scouts, I hear that getting outside on the playing Field is very popular and the Group is so Grateful to the Village Hall Committee for letting us have an opportunity to enjoy the fun we all have outdoors.

Several weeks ago at the Centre at Morton Hall the District held its annual Chief Scout Award presentation, when Bronze, Silver and Gold Awards Certificates were presented to so many Children who had worked so hard to attain these awards, we at Great Barton were at the for fount of these presentations with parents and grand parents there to support then all, I am very proud of them all, but need to Thank all the dedicated Leaders who arrange the training plan to make this all possible, Yes I know we are so lucky to have over twenty Leaders, that give of there time and thoughts to encouraging all the young people to try their hardest to succeed, and I cannot Thank them enough for all they do week in week out come all kinds of weather to be there for the children in their control. Yes I have said this before but there would be no Scouts without them. I can always find a job for any Village person who may have been a Scout in the past to come and just see what FUN it is, see the back pages for my details, I look forward to hearing from you, like wise children from the age of six to fourteen we can find a place for you too.

Up until now for the last forty five years, Scouting at Great Barton has gone no further than the age of 14 years, but now I have some Great News The District has decided that we can have attached to the Group an Explorer Unit, these young people continue on with their Scouting up to 18 years, there is one more Sections that takes them on to 25 years, in that time from 14 they can be either boys or girls become Queen's Scouts and work towards the D of E Scheme, undertake activities abroad, with the Explorer Belt Award. I had the privilege to present one to Rose King who spent a week in Poland hiking to win her Belt. She has now been appointed to be an Assistant Scout Leader with the Group, we welcome her. Two weeks ago, I was invited to the Parish Council Meeting to explain the needs for the Scouts going forward for many years to come, I was happy to do this to see if we could fit into the Parish Plan, which we will have a very good look at it,.

The Scouts of course really need their own Building as we meet five evening a week with other weekend events, so it could be difficult to fit into any plan coming out of the Village consolation but we shall see. We have been for over three years talking to the Great Barton Thanksgiving Fund to extend our existing building subject to a number of items that have needed more thought, so I hope next time to report how we see this and make a firm decision, this matter is with the Group Executive and the Chair David Cooper, phone 01284 767532 .

GREAT BARTON HISTORY SOCIETY

PROGRAMME FOR 2019

January 8th

Joy Bounds: - Speaking about "Joan of Ark." (Great Barton Village Hall Annex 2.30pm)

Joy stresses that she is not a historian but her talk is very thorough. Most of her knowledge comes from the research she did for her novel "Far from Home."

March 5th

Dr. Frank Woodman: - The subject will be "Parish Church Architecture" and this meeting will be held in Holy Innocents Church in Great Barton. (At the usual meeting time of 2.30pm.)

Dr. Woodman's interest in Great Barton Church is the late work from 1489 and its close connection with Parish Church architecture attributed to John Wastell. It links Barton with Bury, Lavenham, Walden and Cambridge. John Wastell was an English Gothic Architect and Master Mason responsible for the fan vaulted ceiling of King's College Chapel Cambridge and the Crossing Tower, (Bell Harry Tower) of Canterbury Cathedral. He also worked on other well-known Cathedrals like Manchester, Peterborough and Bury St Edmunds Abbey too.

May 7th

Sir George Agnew: - Will speak to us about "The History of Rougham Hall". (2.30pm Great Barton Village Hall Annex)

Refreshments are provided after each talk.

Annual Subscription - £10.00. Guests £3.00 each visit.

Dear Neighbour

West Suffolk Operational Hub

project newsletter

Flying ahead...

Welcome back to Dear Neighbour, our newsletter that keeps you updated on West Suffolk Operational Hub, Bury St Edmunds.

October has seen a major milestone of the project being commenced. Steelwork has been manufactured, delivered and installed to the depot and workshop building. Other groundworks activities continue to be progressed which include drainage works and foundations for the remainder of the buildings. All piling works to the project are now complete - circa 360 piles.

Next month we will be looking to commence the roof cladding installation to the depot and workshop building which will then release activities such as Mechanical and electrical containment, internal partitions and external wall cladding.

Barton Hill road closure - Residents of Barton Hill and local parishes will have received information on the Barton Hill road closure. This will commence on Monday 12th November 2018 in order to carry out a new foul drainage installation. The works will be split into two phases either side of the Christmas Fayre period. This will ensure the road remains fully open during this busy event.

Please be sure to keep an eye out for signage & information around the area. A route will be maintained for residents of this road only. An approved diversion route will be in place, so be sure to follow the signs provided. We will of course keep you updated on the progress of these works.

Coffee morning - We will hold a coffee morning on site on Thursday 22nd November @10am to discuss the above works so residents can raise any concerns from the first phase. Spaces will be limited so please email Danny Branson to book - danny.branson@morgansindall.com.

A drone flyover has been undertaken on site - the first of many. Please check our YouTube page to see this in full:

<https://www.youtube.com/watch?v=uf-koYmqDDA>

Our first Considerate Constructors scored visit has been held this month and we will share the results in the coming newsletters - wish us luck!

**West Suffolk NHS Foundation
Trust: call for volunteers**

West Suffolk NHS Foundation Trust is asking the local community to consider volunteering to support patients and staff at the West Suffolk Hospital, Newmarket Hospital and in the community.

The Trust's voluntary services team has more than 400 volunteers who help improve patients' experience when in hospital. From helping on the wards to gardening, some volunteers plan activities for our patients with dementia, while others pick up and deliver important medicines from the pharmacy across the hospital.

Recently, the Trust has been chosen as a pilot site to work with HelpForce, a high profile national initiative supporting volunteers and the value they add to health and care. As part of this, the Trust is creating new community-based roles supporting those outside the hospital and patients when they return home.

It's an exciting time to become a volunteer, so if you are interested in joining the team, we would be delighted to hear from you.

Visit www.wsh.nhs.uk for more information, or contact the team:

November 2018

Now is the time to start thinking about protecting your health over winter with a flu vaccination.

Over the coming months many GP practices will be holding flu vaccination clinics for their registered patients - and people in at-risk groups are being encouraged to attend. Many pharmacies also provide NHS flu vaccinations for those in at-risk groups aged 18+.

For many people a bout of flu will result in symptoms such as headaches, aches, pains and tiredness. However, for people in at-risk groups flu can have serious consequences, leading to existing health conditions getting worse or the development of an illness such as bronchitis or pneumonia. It is important for eligible young children to have the vaccination to prevent the spread of flu to other at-risk family members.

You are entitled to a free NHS flu vaccination if you are:

- Are aged 65 years or over
- Are pregnant
- Receive a carer's allowance or are a carer of an elderly or disabled person whose welfare may be at risk if you fall ill
- Are living in a long-stay residential care home or other long-stay care facility
- Are aged between six months and 65 years and have a heart problem, a chest complaint or breathing difficulties, lowered immunity due to disease or treatment, liver disease, had a stroke or transient ischaemic attack (TIA), diabetes, a neurological condition or a problem with or removal of the spleen e.g. sickle cell disease
- Are a child aged 2 – 3
- Are in reception class/school years 1 – 5

People in at-risk groups are encouraged to ask at their GP practice or pharmacy about having a flu vaccination.

Find out more about flu and flu vaccinations at - <https://www.nhs.uk/conditions/flu/>

GREAT BARTON COFFEE MORNING

THE FRIDAY COFFEE MORNING

Come and try the Friday Coffee Morning which meets in the Church Institute every Friday morning from 10.00 to 11.15 a.m.

We would welcome a donation to cover the cost of the coffee or tea + biscuits (as little as 35p per cup would be welcome) and any excess, when essential expenses have been removed, goes to the Church Institute Refurbishment Fund.

We have a hardcore of regulars but we welcome new faces : as long as you enjoy a good chat about almost anything, we will be delighted to see you. And there is no obligation to come every Friday – but you will probably find that you want to!

If you are new to the Village, do come and give us a try. Or, if you have lived in the Village for years and haven't got round to joining us, you would still be very welcome.

WORLD SCOUT JAMBOREE

Hello again, welcome back to my column about preparing for and attending the World Scout Jamboree in July 2019 (thanks, Ed).

It's been a busy summer/autumn. Thank you to all the people who paid me to water their gardens.

Our main Unit activities have been:

An activities day in September – raft building (a bit wet) and ‘Jacob’s ladder’ climbing exercise (a bit scary) followed by an afternoon of gardening services for the camp site as a thank you;

A day trip to London in half term – a ‘big city adventure’ in small groups seeking out landmarks and shops associated with America, Canada and Mexico (our Jamboree hosts) followed by having our photo taken outside No. 10 Downing Street!

My current fundraising priority is a pig racing event at 7pm, 17th November at the school, organised with the Lions Club – we have clockwork pigs, tote betting, sponsored prizes, and a bar. Tickets are still available as I write this, so please call to book a place if you get this newsletter in time. It should be lots of fun.

As always, I am available for babysitting, dog walking or any other reasonable paid tasks! Please contact me on 01284 787655 or by mail to 2 Lodge Close. Equally if you, your employer or charitable organisation, are able to provide financial aid, raffle prizes or other in-kind support please let me know - that would be fantastic!

My donations website (<https://mydonate.bt.com/fundraisers/emilymartinwsj2019>) has some new photos and a WSJ video.

Finally, please would you consider using easyfundraising.org.uk as a gateway when you buy online? This site makes a small donation to a good cause, at no cost to you, every time you buy something. You register with easyfundraising.org.uk and choose a good cause to support – say, "Emily Martin World Scout Jamboree 2019" – after that you go to this site when you want to buy something, choose your retailer and shop as normal.

Thank you,
Emily

THE CHILDREN'S SOCIETY

2018 has been a very difficult year due to my poor health, causing me to be admitted to hospital a number of times and then long recoveries at home.

Thank you all who assisted in many ways and donated items to help raise funds for the Society. It is all greatly appreciated by the Support Group, Headquarters and the many children we are assisting. Our end of year totals will be recorded in the next edition of the Village Newsletter.

My special thanks to all who help in any way, especially now that I am so disabled.

Sales in the Shop vary considerably but it has been encouraging to have a few new Visitors. Items can be reserved by request. We also try to advertise items needed to support these requests.

NOW REQUIRED : any clothing items but they must be clean. Bags, belts, purses and shoes are **URGENTLY** needed, however old. Boots, slippers, wellies, sandals; clean, coloured single or double sheets, towels, all bedlinen, small electricals; clean books, bric-à-brac, kitchen items. **PLEASE DO NOT BRING LARGE, HEAVY ITEMS BEFORE CHECKING WITH ME.**

The Children's Society van comes every fortnight to take left-overs or unsuitable items.

PLEASE NOTE : No duvets, pillows, cushions, heavy curtains, large glass jars or coat hangers. And please **NO RUBBISH** which should go in the tip.

Box Holders are reminded that boxes are due in January for opening – **NOT** before. Thank you in advance.

Everything we do in Great Barton is :
