

## **MEDIA RELATIONS POLICY GT BARTON PARISH COUNCIL**

---

### **1.0 Introduction and Legal Requirements**

- a) Gt Barton Parish Council's relationship with the community is vital to its work and the decisions it takes. An open and constructive dialogue is a key requirement for influencing and developing services, identifying attitudes and measuring satisfaction.
- b) Effective media relations are an important factor in establishing a good relationship between the Parish Council and the community. Since members of the public generally, rely on the media for local information and news, it is important for the Parish Council to present information about its activities and aspirations in a consistent way.
- c) The community in this sense includes all residents and elected representatives, businesses, schools, shops, places of worship, statutory agencies, voluntary organisations, groups and associations.
- d) This document sets out the framework for Parish Council Members and employees to follow in contacting the media and informing the public about the Parish Council's activities, the decisions it takes and the services it provides.

### **2. Media Opportunities**

- a) "The Media" is more than the local newspaper. The phrase encompasses many different means of communicating a message to a wide audience, and includes broadcast media (radio and television), the internet, and a wide range of printed media (e.g. newspapers, free sheets, community newspapers, magazines, leaflets & posters.)
- b) Different media respond more readily to certain factors. For example, newspapers are more likely to print a general interest story if supplied with a photograph, radio items tend to be quite brief with a short 'sound bite', and television producers will want moving pictures to illustrate a story.

### **3. Meetings**

- a) A meeting of the Council and its committees is open to the public unless the meeting resolves to exclude them, because their presence at the meeting is prejudicial to the public interest due to the confidential nature of the business or other special reason(s) stated in the resolution. In accordance with the Council's standing orders, persons may be required to leave a meeting of the Council and its committees, if their disorderly behaviour obstructs the business of the meeting.
- b) Where a meeting of the Council and its committees include an opportunity for public participation, the media may speak and ask questions. Public participation is regulated by the Council's standing orders.
- c) The photographing, recording, filming or other reporting of a meeting of the Council and its committees (which includes e.g. using a mobile phone or tablet, recording for a TV/radio broadcast, providing commentary on blogs, web forums, or social networking sites such as Twitter, Facebook and YouTube) which enable a person not at the meeting to see, hear or

be given commentary about the meeting is permitted unless (i) the meeting has resolved to hold all or part of the meeting without the public present or (ii) such activities disrupt the proceedings or (iii) paragraphs 3.4 & 3.5 below apply.

- d) The photographing, recording, filming or other reporting of a child or vulnerable adult at a Council or committee meeting is not permitted unless an adult responsible for them has given permission.
- e) Oral reporting or commentary about a Council or committee meeting by a person who is present at the meeting is not permitted.
- f) The Council shall, as far as it is practicable, provide reasonable facilities for anyone taking a report of a Council or committee meeting and for telephoning their report at their own expense.

#### **Making Contact with the Media**

- a) The Council's communications with the media seek to represent the corporate position and views of the council. The general principle is that the Chairman of the Parish Council will act as the Press Officer. Any official contact with the media concerning the Parish Council's policies, the decisions it takes and the services it provides, are to be initiated through the Press officer.
- b) Press releases and statements will be prepared by the Clerk and/or Chairman in association with other Members as required, and will normally be restricted to matters that have been debated and agreed by the Parish Council.
- c) Other Members of the Parish Council and employees who identify a media opportunity should refer to the Press Officer so as to ensure accuracy and consistency in any subsequent press release or contact with the media.
- d) If a member or employee receives an approach or enquiry from the media about any matter relating to the Parish Council, it should be referred to the Press Officer. A decision will then be made, in consultation with other Members where necessary, about the format and content of any response.
- e) This policy does not seek to regulate councillors in their private capacity. If their views differ to the Council's corporate position, they will make this clear. Members must make it clear that any views expressed, where different from Council Policy, are their own personal views. However, Members should take care not to misrepresent and/or bring the Parish Council into disrepute, and must bear in mind their responsibilities under the Local Government Code of Conduct.
- f) Employees (other than the Clerk) should not contact the media on any matter relating to the Parish Council unless specifically authorised by the Clerk and/or Chairman of the Council.
- g) All press releases and other materials are to be kept for reference.
- h) The Council shall, where possible, co-operate with those whose work involves gathering material for publication in any form including use of the internet.

#### **4. Talking to the Media**

In response to a Parish Council press release:

- a) Any enquiry from the media is to be referred to the Press Officer and the author of the press release.
- b) No-one else should offer any comment without prior discussion, except to confirm basic matters of fact (dates of events, spelling of names, etc.)

In response to an unsolicited approach from a journalist or reporter (this includes enquiries about press releases issued by other organisations)

- a) The views of the Parish Council may be expressed subject to the guidelines above.

- b) The Press Officer should be informed so that facts can be checked and appropriate action taken.

## **5. Monitoring**

It is important to monitor the media for items (reports, articles, letters) about the Parish Council in order to know:

- a) Whether press releases and statements issued by the Parish Council are picked up and used effectively.
- b) What members of the community are saying about the Parish Council.

Members and employees are encouraged to look out for items referring to the Parish Council in the media – original press cuttings should be sent to the clerk.

Anyone taking part in a radio or television broadcast should try to arrange for it to be recorded and a copy sent to the clerk. In the absence of a recording, a note of the broadcast's contents should be sent.
