

Event: Exhibition at the Freedom Church May Day Event. The May Day event was advertised on local notice boards and on the Facebook page of the church.

Date: 1 May 2017

Group targeted: Families and adults that live within and visit the village. A broad age range of attendees.

Activity: The same information that was displayed at the school was displayed at the May Day event. Feedback was invited in the form of post it notes and notes on a flip chart but there was very little interest from attendees.

Outcomes: The main feedback was as follows:

- Road safety concerns
- Keen to see development that complements the village
- By-pass requested
