- •Specify & Agree the area of the plan with Local Authority. This is the whole Parish of Great Barton
- Neighbourhood Plan produced through the Working Group in a colloboration arrangement with Great Barton Parish Council

2

1

- •Identify the key themes and aims that require research, research the issues
- Comprehensively consulting with the community

3

- Engage with all stakeholders in the community. Identifying the key themes
- Gathering the evidence; testing ideas and consulting the community

4

- Build an evidence base to justify the eventual policies and proposals
- Developing the policies and consulting with the community
- Produce a draft plan for public consultation

5

- Finalising the Plan and consulting the community on the final version
- Ensure the objectives are expressed as planning policies

6

- Validate the policies, cross referencing the evidence from community engagement
- Submitting the Plan to St Edmundsbury BC who then publish it for further consultation

- •Independent examination of the Plan
- •The Independent Examiner checks it conforms to national and local policy

8

• Modifications to the Plan may be recommended by the Independent Examiner

- SEBC organise a Referendum
- A majority of people voting must support the plan if it is to be adopted by the local planning authority.

9

- The local planning authority will then bring the plan into force
- The plan will then become part of the formal development plan for the area.
